Pastor Marie Galatas

Dear brother Rodtke,

I greet you in the love, joy, and peace of our Lord and Savior Jesus Christ.

Thank you so very, very much for the outstanding work you are effectively doing for our beautiful Queen City of the South, by over-painting that repulsive graffiti.

Again, thank you very much. Keep up the good work.

Yours in Christ Jesus,

A handwritten signature in cursive script that reads "Galatas".

Pastor Marie Galatas
