RE: OPERATION CLEAN SWEEP

Dear Mr. Radtke,

As being the Supervisor of the Federal Bureau of Investigation (FBI) New Orleans Gang Task (NOGITF), it has been my pleasure to know you and to speak on behalf of OPERATION CLEAN SWEEP in your untiring efforts to remove various forms of graffiti from the Metropolitan New Orleans area. The valuable intelligence from the graffiti that you have provided to the FBI is immeasurable. We applaud your continuing efforts to rid the neighborhoods of graffiti.

I look forward to the ongoing partnership that we have created, and please feel free to call at anytime if you should need assistance.

Respectfully submitted,

Michael J. Heimbach
